September 2025  
**HARDLY NEWS**

**Every month, Bridgwater Chapter committee meets to discuss how to improve the Chapter.**

**The committee serves the membership so if you have ideas for an event, activity, ride or simply a way to attract new members, then we want your input.**

**So, what else should we be considering? If you have concerns or complaints please contact a committee member directly, it will be addressed.**

**Let's keep this as a forum for positive suggestions please.  
Bridgwater Chapter Committee**

# Moggy's Bits

In last month's magazine, we explained how committee positions are filled and listed which roles were available. We're pleased to let you know about some updates:

- Assistant Secretary - Dawn Godfrey will be taking on this role.
- Assistant Webmaster - Darrell Cole will be stepping into this position.
- Head Road Captain - Chris Hembrow has taken this on, as Kev is moving up to Assistant Director.

For the Photographer role, we had two applications this year. Patsy is standing again, and Jane Mitchell has also put her name forward. Both have written an article for this magazine, sharing why you should vote for them at the AGM. Best of luck to them both! All other committee members are standing again and will continue in their current positions. As always, these roles will be formally voted in at the AGM. If you have any questions about the process or positions, please don't hesitate to give me a shout, I will gladly explain any concerns.

As you know, the AGM is fast approaching, followed by our Harleyween Party in the evening. It'll be great to see as many of you as possible at both events! The AGM and party are free for members (happy days!) - if you'd like to bring friends or family along to the party, they're more than welcome, with just a £5 entry fee on the night.

Also, if you've got any ideas for awards at the AGM, please do let me know – always good to have fresh suggestions.

We've had a busy month with plenty of rides to keep us on the go!

One highlight was the Smile Ride in Bristol, where we visited a home to surprise an old biker who had lost his mojo. His amazing carer wanted to do something special to bring a smile back to his face and, of course, I couldn't say no! We had a fantastic turnout, with plenty of support from across the biker community. The smile on his face said it all, and his carer was so grateful, she was moved to tears. We even managed to take some of the other residents out for rides too - a brilliant effort from everyone involved, so well done to you all.

# Moggy's Bits Cont...

Later in the month, we had the chance to visit little Noah, the brave lad we first met earlier in the year after his cancer diagnosis.

Back then, he looked so poorly and withdrawn - but what a difference this time! He's doing amazingly well: running around, bouncing on the castle, and with his hair starting to grow back. He still has a journey ahead, but it's wonderful to see him looking like a happy little kid again.

Thank you so much to everyone who came along to both of these events - it makes me so proud to see how we can come together to make someone's day that little bit brighter.

[#bridgewaterhog](https://www.bridgewaterhog.co.uk/)

# Moggy's Bits Cont...

We also had the Portland Prison Ride - after road closure after road closure we finally met up with Portland who led us to the Prison café. I think we can say that the view from the café is amazing as you will see from the photos.

As we arrived, by chance, Plymouth Chapter had also done a ride out there so it was great to catch up with these guys. If you get the chance to go, and haven't been before, this is defo worth a visit. Thanks to Kev, Chris and Nigel for taking over my ride, as due to the road closures didn't have a clue where I was going - what gentlemen, LOL!

# Moggy's Bits Cont...

Gina and Paul M had their rides which sadly I couldn't make as, yep you guessed it, I was working LOL, but I'm sure you all had a great time.

Don't forget - Saturday 20th September is our quarterly meeting at the Admiral's Landing, starting at 12pm.

[#bridgewaterhog](https://www.instagram.com/bridgewaterhog)

# Moggy's Bits Cont...

We'll be running a quiz this time, and I'll also bring along the clothes rail if anyone has any bits and bobs they'd like to sell. Be great to see you all there!

There's still plenty to look forward to. A group of us are heading off to the Deva Legion Rally in Llangollen, so expect all the gossip and photos in next month's mag. If you're coming along then Thursday's dress theme is Ska two tone; bad dress for the ladies LOH event is "bad dress" so get yourselves to the charity shops to buy a mish mash of clothes - let's show them how we Bridgwater ladies do this! Black shirts (men and women) and sparkly trousers (for the ladies...and men?) is the Bridgwater theme for Saturday night.

Looking a little further ahead, our Summer Bash for next year is already booked! We're heading to Tuckers Grave, 7<sup>th</sup> to 9th August. All you need to do is **head to their website and book in**. We've paid the group waiver, so when asked, just put "Harley Davidson" as your group. It's camping (sorry tent-shy folks!), but there is an 8-berth house on site which works out at about £81 each, so if you fancy that, be quick before it goes!

On the Saturday afternoon, we'll also be holding a Chapter BBQ and Cocktails, so even if you can't stay over, you're very welcome to join us for that. No booking needed for the BBQ, just turn up - and yes, it's all complimentary of course.

I think that's all for now my lovelies, so see you all soon.

# Editor's Chit Chat

Oh my goodness - our chapter has had another amazing month of fantastic weather and fun - here's some of the highlights.

## **Cider & Camaraderie at Hedgers Farm**

Members gathered for a relaxed evening at Hedgers Cider Farm, enjoying good company and local flavour in a setting that perfectly captured the spirit of the Chapter.

## **Ride to Littledean Jail with Gina & Nigel**

Despite a disappointing turnout, the ride to Littledean Jail was blessed with glorious weather and a stunning route. The venue itself was... let's say, "interesting." We stopped for a delicious late lunch on the way home too.

## **The Smile Ride**

A heartwarming success, the Smile Ride brought joy not only to Derek but to all the residents. One carer was moved to tears, and several residents had the chance to experience the bikes up close - some even enjoyed a ride. A truly memorable day.

## **Portland Prison Café Roadworks Tour!**

25 bikes joined Gill, Kev, Chris, and Nigel on a magical ride to Portland Prison Café. The journey may have been a bit traumatic with roadworks, but the reward was a breathtaking coastal view and a beautiful day shared among friends.

## **Monthly Chapter Meeting**

We were honoured to meet 93-year-old Jean, who rode Route 66 as a pillion thanks to Dave and Gary of Orange & Black. Her spirit and stories were inspiring - she says she'd do it all again!

## **Sammy Miller's Italian Bike Day**

Paul Meeghan led a fantastic club ride to Sammy Miller's Museum. A great turnout and a brilliant day celebrating Italian engineering.

# Editor's Chit Chat Cont...

## **Breakfast at Fowlers & Visit to Little Noah**

Many of you met for breakfast at Fowlers before visiting little Noah. We're thrilled to hear he's making great progress in his fight against cancer. Some of you even enjoyed ice cream and face painting - pure childhood joy!

## **What's Coming Up?**

So what excitement do we have to bring you for September?! See the events poster, Facebook or website for more information.

## **Ryan's Blue Ridge Runners Ride – This Saturday**

Let's show up in force to help marshal their annual cruise through Burnham-on-Sea. Riders are providing breakfast baps from 10am - bring a high viz if you have one!

## **Bat Out of Hell Musical Ride-In**

Let's make some noise! We've done this before and it was gratefully received. Let's do it again in style.

## **Rally in the Valley, Llangollen**

A group of us are heading to this fantastic rally. There are still tickets, camping spots, and B&Bs available - plenty of time to join in!

## **Sunday Rideout – Adventure Ride with Graham Hancock**

While some of us are away, Graham will be leading the Sunday rideout. Same time, same place - please show your support!

## **Bike Night at Riders of Bridgwater**

A great chance to catch up, show off your bikes, and enjoy the evening.

## **Charity Bra Run with Dave Ellis**

Not a club ride but a fun and meaningful event - wear something pink!

## **Quarterly Chapter Meeting**

Don't miss it - lots to catch up on and plan for the coming months.

## **Moggy's Tour to Lyme Regis – Final September Rideout**

Our last Sunday club ride of September promises coastal views and great company. But don't worry - October is still packed with rides and events!

I hope you all have lots of fun and manage to enjoy some of the amazing events on offer this month. Ride safe and see you out there!

# Head Road Captain's Thoughts

September 2025

And in a flash, we are heading into September.

Well August was a busy Month!

Rides and Charity events here there and everywhere!

September looks to be following suit.

We have the Bat Out of Hell Ride on Monday 1<sup>st</sup> September, so fingers crossed for a good turn out for that one – its really not to be missed particularly now as we are scheduled to through Cabot Circus as well as assembling outside the Hippodrome!!! See event on Facebook for more details.

A group of us will be heading up to Llangollen for Rally in the Valley on Thursday September 4<sup>th</sup> until Sunday September 7<sup>th</sup>. There will be a group leaving Bridgwater and heading up BaffleHaus - meeting at Riders at 09:30 for a 0945hrs briefing, departing at 10:00. Chris Hembrow will be leading this group. Chris will then rendezvous with myself and Jo at BaffleHaus and we will have a lunch break here. Then head up to Llangollen arriving around 16:00 ish – just in time for cider and shenanigans!!!

On Sunday the 7<sup>th</sup> there will be a Chapter ride led by Graham Hancock. This ride will follow our usual standard arrangements that have been set in stone and have been my mantra for my 2 year tenure as Head Road Captain.

## **“Usual Time and Usual Place”**

So meet at Starbucks / KFC at 10:00 for a 10:15 briefing and stands up at 10:30. Post code is TA6 4TP.

I know lots of us are away, but let's see some of you support Graham on this ride please.

# HRC's Thoughts Cont...

He is taking a lovely ride up over the moor and down to Lynmouth, where he will stop for about an hour or so, then ride up over Countisbury Hill and drop down into Porlock, and on to Minehead where he will stop on the sea front. The ride can terminate here, with people making their own way home or you can follow Graham home if you like!!!!

Graham would also appreciate some volunteers for marshaling duties on the ride so just let me or Graham know if you can assist please?

On Friday 12<sup>th</sup> September there is a bike night at Riders of Bridgwater, with the usual teas and Coffees etc. collectung for our charities.

On Sunday 14<sup>th</sup> we are hoping to see a big chapter turn out for the Bra Run – this is Dave Ellis's personal event as opposed to a Chapter Ride but we, as a chapter, are hoping to lend our support for this marvellous cause. There is an event on Facebook, so all details regarding meeting time and places will be on there, or please contact Dave Eliis directly for clarification.

Saturday 20<sup>th</sup> September is our Quarterly Meeting at Admirals Landing, so please come along and support the chapter and get involved.

# HRC's Thoughts Cont...

Sunday 21<sup>st</sup> is another Big date for your diary!!! Moggy's Mystery Tours are doing Lyme Regis – Our very own Assistant Head Road Captain Mr Chris Hembrow has once again made arrangements for us to park along the sea wall, The Cobb, at Lyme for this event and I'm even led to believe that our very own Director Ms Gillian Mogg might have recce'd the route!!!! 😊 I'm going along so we will see on the day!!!! 😊😊😊

That will conclude Septembers rides, but its not all over for the year as in October we have Ride To The Wall with Mr. Clive Pegram, Ms. Jo Grist and Mr. Jason Warner and then shortly afterwards Mr. Gary Illes and crew have a ride as well, and then there is the final Chapter ride of the year with Mr. Ryan Barlow to look forward to, towards the end October!!

It's been a very busy month for myself and my lovely wife. We attended Gina's ride to Littledean Jail on the first Sunday of the month and we has a blast. All who came along enjoyed the day and it was especially nice to welcome new member Rob Pateman on his first Ride with the chapter.

Then the following weekend I joined Gill for both the Smile Ride, where we dodged the traffic through Bristol City Centre, and for the Portland Prison Ride, where we dodged the traffic along the Coast Road!!!! 😊

The weekend after that, we attended a Rum and Reggae event at Bath Racecourse where there was much Rum and much reggae and not much winning on the horses!!!

On Tuesday 19<sup>th</sup> August we left home bright and early with the bikes all loaded for a big adventure.

# HRC's Thoughts Cont...

Our first day took us up into the Yorkshire Dales where we had booked an overnight stop at Skipton in the Premier Inn – a lovely days riding in dry weather – the temperature dropped when we left the Costa Del Somerset mind!!

We met up with fellow Bridgwater members Brim and Carol at Skipton and shared a meal and some wine...well, Jo and I did!!

The next days riding took us up through the Yorkshire Dales and across Northumberland to Hadrian's Wall where afte a brief coffee stop we cut back west to join the M74 towards Glasgow – it was my birthday this day so we did whatever I wanted ... well, nearly!!! 😊

We stayed that evening in an hotel in Dumbarton that we have used before – it's a bit old and a bit tired (like me), but we like it!!!

A few emergency beers on arrival and a few more with our meal

meant a good nights sleep before a sumptuous breakfast with my favourite Lorne Sausages (or Square sausage) it's a Scots thing!!!!

Thursday was arrival day in Aviemore, but before that we did a lovely route up past Loch Lomond – through Glencoe to Fort William, where a coffee stop had us stripping down to T-shirts as it was boiling hot. The temperature dropped slightly as we went across the width of Scotland along the banks of Loch Ness toward Inverness, before fueling up and crossing the Cairngorm range back down into Aviemore.

[#bridgwaterhog](https://www.instagram.com/bridgwaterhog)

# HRC's Thoughts Cont...

A fairly civilised Thursday evening was passed with beers and nibbles and a visit to the Caringorm Hotel where we bumped into Ian Mead, as well as Gary, both Bridgwater members - it can't have been that civilised as I don't remember much about it!

Friday dawned and breakfast was consumed - Geordie Chapter were having a social at 19:00 at the Winking Owl so we gate crashed that and got very merry, catching up with many old friends and generally (in my case) being a menace and photo bombing while shouting "Bridgwater" 😊😊😊

ACDC cover band 'LiveWire' were in the Auditorium that evening and we headed there after catching up with Nyree from the Davidson Legacy Cottage, as well as Vicki Green and her husband Matt who is Director of Sherwood Chapter.

# HRC's Thoughts Cont...

Far too much Rum and Cider was consumed as once again and my memory has faded!!! 😊

Saturday was mass Ride / Parade Day, but the rum of the evening before precluded us from taking part in that one - with very strict drink driving laws in Scotland that discourage even the foolhardy from taking risks!!!

We watched the parade leave and even managed to grab some pictures with some very tall pipers!!!!

Saturday evening passed with an Italian Meal in a restaurant – very posh! The waitress took a liking to Jo's sparkly cut.

**More Music and frivolity!**

Sunday we took a ride up to the ski lifts at the bottom of the Cairngorm Snowfields, we left just before the main ride as we know what parking is like up there – we bumped into Jon Bass, Director of Plymouth Chapter, at the café. Only about the 33<sup>rd</sup> time we had seen him that weekend!!!!!!

# HRC's Thoughts Cont...

We then headed out to Grantown on Spey where we has a bit of a road side picnic with sandwiches and crips!!! I know how to spoil people you know!!!

Sunday evening was a much quieter affair with many having started the long trek home, but we enjoyed the evening entertainment, before a fairly early night.

# HRC's Thoughts Cont...

Monday was still dry!!! 6 days in Scotland without getting wet!!! This is generally unheard of and certainly a rare treat!!!

We set off in bright Sunshine, but lower temperatures, and we stopped for a brief coffee in Perth before heading back past Stirling Castle and on to the M74 southbound .

We arrived at our overnight stop around 1430hrs in Carlisle...what kind of idiot books a hotel next to the football ground when Carlisle United are playing Brentford, I hear you ask??? Me...that's who...I thought we might get tangled up in some hooligan action, but it came to nothing and we enjoyed our last meal together, as Brim and Carol were heading off early Tuesday to get home for a pressing appointment.

Tuesday dawned wet and miserable, but we had another 300 miles to get home, so we toggled up and away we went – in honesty we could have got away with it as the sky cleared as we travelled down the M6. We stopped around Stafford for coffee and to shed the wet weather gear to ride all the way back to Midsomer Norton, with only a smattering of rain drops as we came through Bath. 1,260 miles round trip for us and a very enjoyable trip it was.

Thunder isn't happening as it stands next year...If you get the opportunity to go in the years to come, it's a trip that I would thoroughly recommend. The roads up through Yorkshire and Northumberland and onwards into Scotland and the Highlands can rival anything found on the near continent in my opinion!!!

Now for 10 minutes rest before we are off again!!!

Anyway ... be safe and be lucky

# New Faces, New Adventures – Welcome to the Chapter!

Cooey!

We're pleased to extend a warm welcome to Chris and Sam Fordy, locals from Bridgwater, and Rob Pateman from Dorset. Rob's already joined us on a few rideouts, and all three had the chance to meet many of you at our last monthly meet-up.

It's always exciting to see new faces joining our fantastic Chapter. Whether you're here for the rides, the banter, or simply the brilliant camaraderie, you're in great company.

If you ever need anything - or just fancy a chat - don't hesitate to contact any of us on the committee or get chatting with our fellow members. We're all here to make your time with us as enjoyable and memorable as possible.

## September Meet-Up Update

A quick heads-up: instead of our usual first Wednesday meet at Admirals Landing, September's gathering will be on Saturday the 20th, still at the same venue. It's one of our quarterly Saturday socials, so mark your calendars!

To stay in the loop with all upcoming events and rideouts, be sure to check out our website calendar or drop into our members-only Facebook group.

**Looking forward to catching up with again you soon!**

# Time to Renew!

As summer winds down, it's time to renew your Bridgwater Chapter membership and ensure you're all set for the exciting months ahead.

To remain an active member of the Chapter, you must hold a current **HOG membership** - please take a moment to check that yours is up to date.

In addition, only fully paid-up members will be eligible to attend the Annual General Meeting in October, so don't miss out!

## Cider Rally Reminder

Tickets for the ever-popular Cider Rally are already on sale. However, if your HOG or Chapter membership isn't current, it could delay your ticket access - so get those renewals in early!

## New Online Membership Form Launching 1st September

As you may have seen, we're introducing a new online membership form to replace the outgoing version. The process remains familiar, but we've made one important change:

- Membership payments will now be made via BACS instead of PayPal.

This switch means instant payments to the Chapter account with no PayPal fees - saving us all time and money. The new system has been tested and is ready to go but, as with any change, we appreciate your patience and support during the transition.

## Already Renewed? You're All Set!

A big thank you to those who've already renewed. If you joined or renewed after July 2025, your membership is valid until 2026, so no action needed.

## Help Us Help You

To make things easier for our Membership Secretary, Sue Parkes, please submit your renewal early so she can process everything smoothly over the coming weeks.

**Let's keep the Bridgwater Chapter thriving!**

# Committee Role Applications

As Gill mentioned in 'Moggy's Bits', there have been two applications for the fantastic role of photographer, from Patsy and Jane. They have both submitted their articles to win your votes at the AGM.

**Let's wish both of them the best of luck!**

## Patsy Coles

Well, it's that time of year again to have your vote for who's standing for the posts on your committee.

I have been in this great chapter for 20 years now and was invited to be the chapter photographer by Moggy and Gina 12 years ago.

My passion for photography started way back before joining the chapter, so I was very privileged to have been asked to serve the club.

Over the last 12 years I have made many friends with many chapters, through me taking their photo's. I have enjoyed making memories through my passion of photography and would love to continue as the chapter's photographer.

**Thanks, Patsy x**

# Jane Mitchell

My name is Jane Mitchell.

A proud member of our chapter since 2021.

Previously a pillion, I was Impressed by the beautiful machines and their friendly owners so I took my bike licence and became the proud owner of my very own Harley a 883 superlow. I joined the committee as Merchandiser then Activities officer.

I quite often took pictures on my phone at gatherings and rides and other places always feeling something was missing from my pictures and I could do better, so just over a year ago I purchased a Canon camera to allow myself the chance to experiment and improve my skill with my camera.

Taking many different photographs bikes, people, sunsets, flowers, food, animals and cars to name a few. I started visiting some local events and taking pictures. This led to me setting up my own page on facebook (picture Moments by Jane) to share my pictures.

I was approached by a friend from the local Pantomime Society to take some pictures at a photo call, I was so chuffed when they used these in their programme and on stage in their show as props and invited me back to capture the show in a dress rehearsal. A local dance school then invited me to capture their dancers performing in a show and have used the pictures on social media. Also several friends have had me take family and pet photographs for them.

I have had quite a few of my pictures published through different media outlets including newspaper and TV.

***So back to the chapter*** first up I have just replaced my 883 with a beautiful 1200 sportster in orange and black.

I am loving my new ride and can't wait to take lots of pictures with her in different locations.

# Jane Mitchell

At the cider rally I really enjoyed capturing so many moments from the build ups behind the rides, the passion and joy on the bikes and the relaxation and fun in the evenings.

My camera now travels everywhere with me, so I am ready to capture moments and if you know me, you already know this.

My favourite photos to take are natural candid moments at events and meetings, people's smiles and enjoyment whilst riding and the gleaming beauty of our machines as they await the next ride.

Words on paper can't describe the pictures I have taken so far, so check them out for yourselves. To find them, go to Facebook Bridgwater HOG members only group, underneath where it says joined and invite, swipe left til you see albums - click, then check out the albums of different events.

I would love the opportunity to become the chapter photographer to continue documenting your bikes, your smiles and the moments that make our chapter so special with every click - my aim is to capture the spirit of who we are as a chapter both on the road and off.

**Jane Mitchell**

# Committee Profile: Moggy

## Chapter Director

### How It All Began

Back along, I promised I'd share how I got into bikes - especially for the newer members. Apologies to the long-timers who've heard this before, but here goes...

### The Unexpected Beginning

It all started in May 1996. Barry had always been into bikes, but I wasn't interested at all. He'd head out solo, and I couldn't think of anything worse. Then one day, he said we were off to the Bulldog Bash with friends. I looked it up and thought, no way! Thousands of greasy bikers and skanky toilets? Not for me!

Eventually, Barry talked me into it. I had no biker gear, so I raided my mum's catalogue and found some dress leather trousers and a jacket - thin as anything, but it had to do. I was anxious as the day approached. I thought I'd ride in the car with Barry's friend's girlfriend, but she'd already left. So, I had to go pillion on Barry's Triumph TR6. I hated every minute of it.

When we arrived, I was sore and overwhelmed. The crowd looked rough, and the campsite was packed. But as the night went on, the cider flowed, the bands played, and I started chatting with people. Turns out, they were lovely - normal, even! I had a fantastic time.

### A Thought Becomes a Mission

The next day, I noticed how many women were riding. I had a fleeting thought: Could I do that? By the end of the weekend, I was hooked. I told Barry I was going to learn to ride. He laughed, "Yeah, right Gill." But I was serious. I booked lessons in secret, failed my first test, but kept going.

# Moggy's Profile Cont...

In November 1996, I passed! Barry was shocked - not that I passed, but that I kept it secret (I'm rubbish at secrets!). I got my first bike - a Honda 400 Four. It was mine, and I was thrilled. Sadly, it was stolen in 1997, and I didn't replace it. I was happy riding pillion with Barry.

## Joining the Chapter

Barry bought his first Harley in 1997, and we went to a Chapter meeting at the Toby Jug. It was daunting - everyone stared like we didn't belong. Barry didn't want to go back, but I convinced him to give it another shot.

The next meeting was friendlier, and in August 1997, we joined. In 1998, we went to our first Cider Rally at St Audries. I loved it - even if I was in bed by 10pm (some things never change, lol).

## Getting Involved

After a year, I nominated myself for the committee and got voted in. I became the LOH Rep for two years, then Assistant Director in 2001 under Dave Holden. That same year, Barry and I were at Riders, and I was admiring the bikes. Barry said, "Why don't you take one out?" I rode an 883 and loved it. When I got back, Barry asked what I'd change. "Nothing," I said. Then came the shock - he said it was my Christmas present!

I was speechless. At Riders, my bike came around the corner wrapped in balloons and paper. My mum and dad were there. I cried. I was so excited - it was mine. My very own Harley. Barry might regret it now - it's become such a huge part of my life!

# Moggy's Profile Cont...

## Becoming Director

In 2008, Dave stepped down after 11 years, and I was voted in as Director. I was daunted - how could I follow Dave? But with his support and a fantastic committee, we made it work.

I don't know if I'll make 11 years, but I'll never get bored of the Harley scene. I've travelled to places I'd never have seen, made lifelong friends, and created unforgettable memories - all thanks to the Chapter.

## Your Turn!

So that's how it all began for me. Why not share your story? How did you get into bikes or Harleys?

You can take life seriously if you want to... I'll just enjoy it!
